

growing biblically. connecting locally. reaching globally.

Welcome to Hocutt Kidz.com... find us on [Facebook](#), too!

Thank you for the opportunity to briefly share what we are about. Here at Hocutt Baptist Church we will seek to reach the hearts of our children so they allow Jesus Christ to transform them into His image.

Our vision for a successful children and family ministry is a growing ministry where children and parents feel welcomed, safe, and a strong desire to be actively involved in the church body. Our desire is to have a ministry that is both fun and balanced with strong Biblical teaching. Strong Biblical teaching will change hearts to earnestly seek a personal relationship with Christ. We hope to build lasting relationships with all members of the family, to encourage and inspire them toward a life of service to Christ and His kingdom.

We have great programs, including Sunday school, AWANA, Mission Friends, Royal Ambassadors, Girls Ambassadors and both bell and children's choirs. Our RAs and GAs are always pushing each other in friendly competitions to learn Bible passages (or presents as one child said – and how true that is – God's word is a present to us), and developing a closer personal relationship with Jesus.

We like to do things and go places with each other too! You can find us at a Mudcats game, at the movies, or sending our parents out on a night of their own while we have TONS of fun here at church.

Come join us!!!

In faith,
Pastor Brent
